DOUBLE SESSIONS 'UNAVOIDABLE' AT WESTMOOR IN '60

Double sessions appear a "must" in September next year for Daly City and Pacifica students attending Westmoor High School, Superintendent Ed Morgan informed the board of trustees last week.

In a nutshell, there will be just too many youngsters and not enough classrooms for a normal schedule. This situation will prevail at least until the Oceana and Terra Nova high schools open in 1961.

Pacifica in September of 1961.

Morgan said the enrollment estimate for Westmoor in September of 1960 is 2138 students, compared to the hilltop school's present capacity of 1620 students. It just won't be possible to squeeze the 2138 students into the normal full-day class program.

If Morgan's recommendations are finalized by the school board, Westmoor High next fall would house 1200 Westmoor students in the morning session and 900 Pacifica youngsters in the afternoon schedule.

Morgan said this double session program would mean that all Westmoor students from Pacifica who are entering their senior year next September would attend the morning session along with Daly City students assigned to Westmoor as freshmen, sophomores, juniors and seniors. Ninth through eleventh graders from Pacifica would attend the afternoon classes.

Westmoor High this semester has 1763 students and Jefferson has 1323 — both over their assigned capacities. Temporary classrooms at Westmoor have been used to handle the overflow, as did the conversion of some classrooms at Jeff.

The Oceana (Sharp Park) and Terra Nova (Linda Mar) student bodies may be established in advance next spring at Westmoor so that when the two new Pacifica schools are ready in 1961 the changeover and transfer there can be effected.

COUNCIL, SCHOOL BOARD SCHEDULES

Next regular meeting of the Daly City Council is scheduled for Monday evening, December 14, starting at 8 p.m. at 75 Wellington avenue. Council study session is Thursday night next week.

Trustees of Jefferson Elementary School District will meet in regular session next Monday evening, 8 o'clock, at 48 Park Plaza drive, second floor.

Infant Saved In Near-Fatal Bathtub Mishap

Quick action by a mother, her neighbor, and fire and police men helped save the life of 17-month-old Judy Regalia, 305 Palomar avenue, Wednesday morning.

The Westlake tot was being bathed along with an older child by her mother, Mrs. Cornelia Regalia. When Mrs. Regalia turned her back for a few moments her attention was called by the other youngster who said, "Look at Judy."

Mrs. Regalia saw the child underneath the water. She pulled the baby out and notified a neighbor at 1284 Southgate avenue who called police. Police Officer Jim Welsh spoke to the fire department who responded to the scene and administered oxygen.

Officer Charles Munday said that the family doctor reported the baby was okay and told Mrs. Regalia to call him if anything should occur later.

Heart Attack Fatal To Westlaker, 35

Lawrence Lee, 35, of 70 Oaklawn drive, apartment 8, was pronounced dead on arrival at Junipero Serra Hospital at 2:55 Tuesday.

Efforts of members from the Central Fire Station to revive the heart-seizure victim with oxygen were to no avail. Officer Charles Munday said Lee was transported to the hospital by M&D Ambulance. Funeral arrangements are pending.

CONVENTION-LIKE atmosphere prevailed Monday when Lions clubs of Daly City and South San Francisco announced to Jefferson and South SF high school student leaders the results of the annual "Sportsman Trophy" judging, held at last week's Big Game. Jeff won the encounter but SSF retained the Sportsman Trophy. Front row (left to right): Nanci Regnell, Jeff varsity cheerleader; John Margaroni, Jeff student body president; Vince Murphy, president of the DC-Colma Lions; Rich Zinn, SSF student body president; Margie Drake, SSF yell leader, and George Stagnaro, SSF Lions.

Standing (from left): Ray Logan, DC-Colma program chairman; Sandy Calavano, Jeff pom-pom girl; Bonnie Markus, Jeff Junior class secretary; Dennis Cardinale, Jeff Junior class president; Jose de Larios, Lions Zone chairman; Pauline Gallegos, SSF pom-pom girl; Sue Cassidy, SSF pom-pom girl, and George Baptista, SSF varsity footballer. Student conduct and game highlights were outstanding and the judges said the balloting was "too close for comfort."

THE RECORD photo

Trustees Eye New School Site East Of Hillside Boulevard

Nine owners of property between Bismark and Price and Wyandotte and Orange streets were notified by letter this week that Jefferson Elementary District is considering this land as a possible new site for a kindergarten through sixth grade school.

Superintendent Richard Foster and the administration two weeks ago were instructed by the school board to explore possible sites in this area between Vista Grande primary school to the north and Colma K-6 to the south.

Foster said studies show a new K-6 school is vitally needed

of Hillside boulevard, compared to the schools' total capacities of 880. By 1963, the superintendent said enrollment from this area would be over 1100.

Trustees hope to obtain 10 usable acres for the proposed school, but they might settle for less. Foster said the district is eligible now to begin the steps that will lead to getting state funds to construct the school.

The superintendent said the homeowners notified by letter have been invited to district headquarters next Tuesday to

hear a report on the need for a new school in the area. Foster emphasized that the site designated in the letter was not confirmed as yet and that the administration has studied other property in the same area.

The property owned by the nine landowners mostly is undeveloped, Foster said, and is the most centrally located site (of those under study) between the Vista Grande and Colma schools.

The school district has hired two outside appraisers to examine all property on sites under study.

Newspaper Changes Its Phone Number — Call PLaza 5-3311

A heavy volume of switchboard business has caused Marchbanks Publications newspapers of Daly City to change their main office phone number to PLAZA 5-3311, according to Editor Harold P. Bradshaw.

The new PL 5-3311 number, replacing two numbers no longer in effect, was installed Monday this week.

All persons calling the Westlake Times, The Record, and the Daly City Shopping News are asked to dial the new number, PL 5-3311, on all matters pertaining to the three newspapers. The old numbers have been discontinued.

Father Of 3 Firemen Dies In Sons' Arms

Albert A. Brush, father of Daly City Fire Department Captain Allen Brush and reserve firemen Bill and Charles Brush, died at his home Thanksgiving Day despite the efforts of his sons to save his life.

Bill was giving resuscitation to his father, who was suffering a heart seizure, when Captain Brush, then on duty, appeared at the scene with other firemen from Central Station in Westlake.

Allen applied the department's resuscitator and the elder Brush was rushed to Junipero Serra Hospital by M&D Ambulance.

Funeral services were conducted at Lasswell's Mortuary last Saturday for Brush, 76, 704 Niantic avenue, a long-time Daly City resident. Interment was at Holy Cross Cemetery. He was the husband of the late Mary J. Brush and is survived by another son, Albert Jr.

The retired janitor leaves 10 grandchildren and four great grandchildren.

Colma 7-8 Teacher, Previously Probed, Quits Over Health

Administrators of Jefferson Elementary District this week accepted the resignation of a 40-year-old woman teacher at Colma School who in August was subpoenaed by the House Un-American Activities Committee in hearings at Los Angeles.

Mrs. Eleanor Maas, mother of two teenage children, in a letter to Superintendent Richard Foster, said she was resigning "on my doctor's advice" and regret that this decision is necessary.

A letter from her physician asserted that Mrs. Maas, who started her third year with the district in September, has been treated the past six weeks for a respiratory infection "that rendered her in a state of nervous exhaustion."

Foster said the administration replaced Mrs. Maas on Monday with a substitute social studies and English teacher for the balance of the semester. The school board will officially accept the resignation next Monday night.

The superintendent four weeks ago informed this newspaper that he and the school

Hit-And-Run Vehicle Rams Into Residence

Lyle Balcolm, 42, of 663 Crocker avenue, reported an unusual hit and run property damage accident to police Officer Al Nicolini Saturday at 4:30 a.m.

He told Nicolini that a car had struck his house, doing extensive damage to the left side, and then the driver sped away. Balcolm's son gave pursuit but was unable to catch the 1953 green station wagon.

Sergeant Charles Terry, also inspecting, said the vehicle apparently came down Crocker avenue, failed to negotiate the turn into Alexander avenue, then crashed into the house.

COMMITTEE HERE ANGRY

State's Routes Too Harmful, Battle Looms

With no time to waste, Daly City officials Monday night left no doubt that they would exhaust every effort to fight—verbally and factually—any of the six proposed state freeway routes, all of which, as drafted, would be destructive to existing homes, businesses and future development here.

DC Chambermen Oppose Mission Street Project

The Chamber of Commerce has named a committee to carry its protests to the city council and State Highway officials against the latter agency's plans for constructing a center island down Mission street from San Pedro avenue to Shakespeare street.

Chairman Hugh Smith Jr. told fellow Chambermen last week that his committee will investigate all the plans. The Chamber, and Smith in particular, feels that there should be provisions for left turn lanes on both sides of the street or maybe that the center island isn't practical at all.

City Administrative Assistant Phil Brown last week explained to the Chamber the state's plans for removing the Mission tracks and installing the center island. Brown said the state wouldn't remove the tracks unless the center island is authorized, a move that would require the widening of Mission, notably south of Jeff High School, a few feet to provide for three lanes each way.

The state plans no left turn lanes, as such, but the center island will be broken at each intersection on Mission to allow east-west crossings and left turns. The only exceptions on left turn lanes are at Price and Garibaldi streets, via the state plan.

Brown added that the state has given the city its plans on the rail tracks removal and center island proposals and the public works department is checking these out. Most immediate state project here will be erection of traffic signals at Bismark and Mission in front of Jeff High. The car tracks removal and center island project will be accompanied by installation of signals at School street and Mission.

When state funds are available for this latter endeavor has not been announced. It is estimated, however, that the project may be finalized early next year.

Although the Junipero Serra Freeway is about three years away from reality (funds for right-of-way purchase will be granted in the state's '60-'61 fiscal budget), adoption of this route and the eventual east-west laterals to the coastside are being hoped for by the state early next year.

High School Superintendent Ed Morgan echoed by Doelger engineer Carl Timmons and McKee, declared that the east-west routes should be located much south of the Daly City area where future developments will mean considerably heavier population, particularly west of San Bruno in the Princeton and Montara areas on the Coast south of Pacifica.

Murphy scored Daly City's neighbors, Pacifica and South San Francisco, for their willingness to go along with the Daly City laterals, noting of course that these routes wouldn't involve Pacifica and South San Francisco land, thus officials in the latter communities don't care what happens in Daly City.

Morgan advised that Pacifica's cooperation, in particular, should be sought on the suggestion for east-west laterals to the Coast off the Junipero Serra route. He said Pacifica should be concerned because future traffic from subdivisions

(Continued on Page 2)

Father Of Six Arrested Here Stealing Gas

A 25-year-old baker with six children was apprehended by Daly City police Sunday at 4:30 a.m. after he siphoned gas from an auto, belonging to Joseph M. Ceconi, 1178 King street, Redwood City, parked across from 141 East Vista avenue.

Albert B. Lamm, 567 Inverness avenue, Pacifica, was tipped up by a passing motorist who said he saw him siphoning the gasoline, and notified Officer Al Nicolini. Nicolini found a five gallon can at the rear of Ceconi's vehicle with a rubber hose leading from the gas tank to the can. Gas was spilling out of the can and Lamm was seen leaving the area.

A number of police cars responded to the scene but Nicolini found Lamm in front of 120 East Vista avenue. At first Lamm declared he was just out for a walk but under further questioning admitted siphoning the gas, police said.

Lamm stated, "I took the gas because I did not have the money to buy it. I have five boys and a three-week-old girl. I have been having money troubles and promise not to do this again."

The bakery man was released on \$525 bail after being charged with tampering with an auto. He is to appear in municipal court Tuesday.

Councilman's Son Injured On Stairs

Mark Christopher Pacelli, four-year-old son of Councilman Francis Pacelli, 117 Windor drive, Daly City, was hospitalized Tuesday after he accidentally fell down a flight of stairs at home.

Doctors at St. Mary's Hospital said the youngster was kept overnight and x-rayed for a possible concussion.

DALY CITY police inspectors Capt. Roy Beecher (right) and Sgt. Jerry Galindo spent their time-off Saturday morning by visiting assault victim Harvey "Joe" Marston at Community Hospital. The City College of San Francisco student, 20, required brain surgery following a beating by three Daly City teenagers. He is making good progress, but still isn't able to

THE RECORD photo

FREEWAY

(Continued from Page 1)
to be developed south of Pacific Highway 1 through Pacifica, the Edgemar freeway, and eventually Skyline and Alameda boulevards here.

Pacelli said State Highway officials in San Francisco have been very reluctant to give concrete facts on their proposals here, yet adoption of the basic routes is set in the hearings early next year.

The freeway committee re-emphasized its stand for the Y-T route north-south on Junipero Serra, the one that in the committee's unanimous opinion will cause the least destruction to homes and business along Junipero Serra. This city-preferred route basically would come off the Alameda freeway in San Francisco, proceed on the west side of Junipero Serra in front of the golf course to Mayfair Market, thence cross over to the east side of Junipero Serra and proceed to a point just north of Woodlawn Cemetery in front of McKee's once intended shopping center, then swing due south to the undeveloped Cristen ranch land north of Chinese cemetery and curve westward to Skyline and the

Edgemar freeway.
The state, however, says it is against this pattern because it has ruled out a city-recommended underground tunnel for an interchange to connect this east-west lateral to Skyline and Edgemar freeway.

Pacelli's committee reaffirmed it would stick to its guns for this Y-T route along Junipero Serra, but definitely opposes any east-west lateral within Daly City.

If the state gets its way on the laterals, one route conceivably could cut through Westlake on Alameda, wiping out all the homes on North Mayfair avenue and requiring a massive fill operation that will change the entire street access patterns on Alameda. The suggested lateral through St. Francis Heights, would ruin McKee's future developments to complete his subdivision.

McKee noted that it was his responsibility as a builder to protect the interests of the people buying homes in his subdivision and the city's responsibility to protect the tax base by fighting any freeway routes that would heavily reduce the tax base by eliminating existing and future homes and business establishments.

Councilman Michael DeBernardi, following up on a point

made by Postmaster Murphy, said as yet the city didn't know how much power it had in fighting state freeway routes via refusing to close streets that are needed by the state to complete freeway plans.

DeBernardi said this "power" should be ascertained so that the committee would know whether it could stop an undesired route—legally—by declining to close off streets as requested by the state. The councilman said an answer to this query might help to ease the fear and confusion about the freeway in the minds of residents.

City Attorney Paul Hupf answered that he had been checking out this legal aspect and would report on it at the next freeway committee meeting. This will be on Wednesday night, December 16, at 8 p.m. at City Hall, 75 Wellington avenue.

Last Monday's special session brought an audience that more than half-filled the chambers. Most of them were from west of Junipero Serra where laterals, if adopted, would require the uprooting of many homes.

Girls' Gym Raid At Jefferson High Nets Thieves \$23

Thieves used a screwdriver or pry bar to open a wooden slot on the window to the Jefferson High girls gym and gain access to physical education offices over the weekend. The culprits walked off with \$23.50, according to Officer John Coleman.

Mike Orlich, boys physical education department head, told Coleman that \$18 was taken from Miss Nancy Ratica's desk and 50 cents from the desk of Miss Annette Insel. Five dollars was taken also from a dispenser machine inside in the gym.

Personnel Board Special Meeting

Chairman Mel Battye said today a special meeting of the city personnel board is scheduled at City Hall on Sunday, December 13, at which time the commission will prepare its final recommendations to the council on the recently completed State Personnel Board survey of Daly City's more than 150 municipal jobs.

Investigated Here

Daly City police last week began an investigation of Chris Auto Sales, located at the corner of Vista Grande avenue and Mission, for conducting suspected unauthorized repair work at the used car lot.

City Attorney Paul Hupf alerted police following a complaint that the firm was violating restrictions set aside in its city license.

FIFTY-YEAR ROOF

The Monel nickel-copper alloy roof installed in 1909 on the Pennsylvania Railroad Station in New York City shows practically no signs of corrosion after 50 years of service.

RESOLUTION NO. 2730

A RESOLUTION DECLARING THE INTENTION OF THE CITY OF DALY CITY TO VACATE A CERTAIN PORTION OF PUBLIC STREET AND FIXING THE TIME AND PLACE OF HEARING ALL PERSONS INTERESTED IN OR OBJECTING TO SUCH PROPOSED VACATION.

WHEREAS, the City Council of the City of Daly City is informed that a certain portion of Edgemar Road (Eastmoor) hereinafter described is unnecessary for present or prospective public street purposes, and

WHEREAS, the City Council desires to take the necessary proceedings under the Street Vacation Act of 1941 vacating said portion of said street;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL of the City of Daly City as follows:

1. It is the intention of the City Council to vacate a certain portion of Edgemar Road (Eastmoor) in the City of Daly City, County of San Mateo, State of California, and particularly described as follows:

DESCRIPTION

PORTION OF EDMGAR ROAD TO BE ABANDONED

BEGINNING at a point in the westerly line of "Lands of the Jefferson Elementary School District," as described by Deed filed in Volume 3534, Official Records of San Mateo County, page 365, which point bears South 89° 52' 55" West 135.00 feet and North 0° 07' 05" East 253.11 feet from the intersection of the centerline of Westmoor Avenue with the centerline of St. Francis Boulevard, as shown on that certain map entitled "MAP OF ST. FRANCIS HEIGHTS, UNIT NO. 2, DALY CITY, SAN MATEO COUNTY, CALIFORNIA," filed May 28, 1958 in Volume 49 of Maps at pages 1, 2, 3 and 4, San Mateo County Records; said Point of Beginning being also a point in the southeasterly line of the Colma to Edgemar Road, as said Road is described by Deed Recorded in Volume 239 of Deeds at page 347, San Mateo County Records; running thence from said Point of Beginning, along the southeasterly line of said Edgemar Road, South 63° 09' 05" West 205.02 feet; thence crossing said Road, northwesterly on the arc of a curve to the left from a tangent bearing North 21° 44' 30" West, with a radius of 40 feet, subtending a central angle of 97° 10' 50", an arc distance of 67.84 feet to a point in the northwesterly line of said Road; thence along said northwesterly line, North 63° 09' 05" East 201.89 feet to a point in the westerly line of the aforesaid Lands of the Jefferson Elementary School District; thence along said westerly line, South 0° 07' 05" West 33.66 feet to a point in the centerline of the aforesaid Colma to Edgemar Road; thence along said centerline North 63° 09' 05" East 33.66 feet; thence continuing along the westerly line of the Lands of the Jefferson Elementary School District, South 0° 07' 05" West 33.66 feet to the Point of BEGINNING.

2. Reference is hereby made to the map on file in the Office of the City Clerk of the City of Daly City for particulars as to the proposed vacation.

3. Monday, December 28, 1959, at 8 o'clock p.m. of said day in the Council Chambers in the City Hall of the City of Daly City be, and the same is hereby fixed as the time and place for hearing all persons interested in or objecting to said proposed vacation.

4. Notices of street vacation shall be posted conspicuously along the line of the portion of said street so proposed to be vacated. Such notices shall be posted not more than three hundred (300) feet apart but at least three (3) shall be posted, and such notices shall state the passage of this resolution of intention of the time and place of hearing thereon.

5. At the time and place aforesaid, said City Council will hear the evidence offered by any person interested, and if said City Council then finds from all the evidence submitted, that such portion of said street is unnecessary for present or prospective public street purposes, said City Council will make its order vacating the above described portion of said street.

6. This resolution shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

I hereby certify the foregoing to be a true copy of a Resolution adopted by the City Council of Daly City, California, at a regular meeting thereof held on the 23rd day of November, 1959, by the following vote of the members thereof:

AYES, and in favor thereof, Councilmen:

DeBernardi, Pacelli, Verducci, Dennis.

NOES, Councilmen: None.

Absent, Councilmen: St. Clair.

EVELYN MOSMAN, City Clerk of the City of Daly City

APPROVED: EDWARD J. DENNIS, Mayor of the City of Daly City (Publish: December 3, 1959.)

Teacher Quits

(Continued from Page 1)
board was making a thorough study of Mrs. Maas' ordered appearance before the House Committee in Los Angeles, and had asked for and last week finally obtained a transcript of the minutes of the hearing.

Foster said that just before the semester began he learned Mrs. Maas had been subpoenaed by the committee. He immediately called her in for a conference and notified trustees of her appearance and testimony which occurred in October in Los Angeles. The superintendent and school board then called in the district attorney's office to determine the legality of the investigation.

When initially called in by Foster early in September, Mrs. Maas answered the superintendent verbally that she had never been a member of the Communist Party nor did she belong to a subversive group at present. In addition, she cited her signature on the required state loyalty oath which all public school teachers must sign in order to receive their teaching credentials.

Mrs. Maas said she refused to answer the two aforementioned questions, asked by the committee in Los Angeles, on advice of her attorney, who maintained that under a recent Supreme Court decision (October '55, *Slochower vs. New York Board of Education*), persons called in to testify before federal committees are legally entitled to know the purpose of questions they are asked.

Mrs. Maas, Foster said, told him she and her attorney asked the committee what relevancy the two questions had, why the questions were pertinent to her summons, and also why she was subpoenaed in the first place. The committee refused to clarify the "relevancy" of the two questions and did not explain why Mrs. Maas was being questioned. Thus she and her attorney declined to answer on the grounds of the two Constitutional amendments.

All discussions about Mrs. Maas' testimony in Los Angeles were conducted in closed personnel meetings here between Foster and trustees. The school board accepted Foster's recommendation that this newspaper be made aware of the situation. This was accomplished as the superintendent kept the press

Double Sessions

(Continued from Page 1)
fected with a minimum of confusion. Also, Westmoor faculty members who eventually will be assigned to the Pacifica schools will instruct Pacifica students next year at Westmoor in the afternoon.

Morgan continued that the district's present 55-minute classes would be shortened to 40 minutes, leaving ample time for instruction and averting the need to lengthen the school day additionally.

The superintendent admitted that the school district made a slight mistake in 1956 when Jefferson and Westmoor students shared the Jeff High plant on double sessions.

Jeff students then attended the afternoon session and Westmoor youngsters the morning session. Many Jeff students skipped afternoon classes the days of athletic events, while Westmoor students, with no full-fledged athletic program, had ample time in the afternoon for extracurricular activities. In sort, Jefferson should have been on the morning schedule and Westmoor on the afternoon plan.

Morgan said, however, that the 1956 double sessions at Jeff actually were successful in that overall grade averages showed improvement. Although classes were 15 minutes shorter, students seemed to devote their half-days off to more study and research. The superintendent qualified this positive result of undesired double sessions by asserting that double session education certainly is regrettable "but when you don't have the classrooms, you've got to make adjustments."

Returning to fall 1960 plans for a divided Westmoor, Morgan explained that a separate intramural athletic program would be set up for Pacifica students at Westmoor on the afternoon schedule. A year later when Oceana and Terra Nova open, the Pacifica athletes would quickly convert to full-scale Peninsula League sports activities.

As far as Jefferson High is concerned, Morgan said that by next September expected enrollment is 1494, compared to the present 1323 total and the school's maximum capacity of 1100. The superintendent says this overage might be accommodated by converting the Little Theater into three classrooms, probably next summer, and utilizing all other space in the buildings to the fullest extent.

Recreation Dept. Announces Plans For Holiday 'Festival Of Music'

With Christmas approaching, Daly City's Department of Parks and Recreation today made public its plans to add to the Yuletide festivities of the community.

On Wednesday night, December 16, the annual Christmas Festival of Music will be presented at War Memorial Community Center. The festival this year will include appropriate Christmas music by the Daly City Municipal Band under the direction of George Brenner. Included in the program will be such numbers as: The March of the Toys, A Christmas Festival, selections from "The Flower Drum Song," White Christmas, etc.

Glee clubs representing various schools in the area will be the contribution of Jefferson Elementary School District, under the guidance of Mrs. Muriel Vint, coordinator of music for the district. In addition to the school glee clubs and choirs, the Choral Group of the Daly City Recreation Department will make its first public appearance under the

leadership of Miss Ruth Henthorn.

A portion of the Teenage Girls Baton Class will give a baton demonstration with a background to Christmas music.

The highlight of the show will be the combined talents of all the groups singing several Christmas carols with the municipal band furnishing the musical score.

All participants in the program will receive a Christmas treat arranged by the Hi-Fi Teen Club. The program will start at 7:30 p.m. and is free to the public.

On Tuesday night December 22, weather permitting (Wednesday night, December 23 otherwise), youngsters from the various playgrounds will once again wend their way through the neighborhoods of the city singing Christmas carols. Anyone having knowledge of shut-ins or others who would enjoy being serenaded, should call the Department of Parks and Recreation at PL 5-0850 and leave their names and addresses.

Westmoor Picks Entry In U.S. History Contest

Three Senior Girls were recently nominated from Westmoor High School's senior class for the Daughters of American Revolution "Good Citizens award" Contest.

Jean Eisenmann was selected by the faculty through a poll administered by Miss Margaret Riggs on the basis of dependability, service, leadership and patriotism. Other candidates were Rose Ann Berg and Karen Brehm.

Winners from each high school in California will take tests in American History and submit activity reports to the California State Society.

Last year 371 schools participated in the D.A.R. competition. The winner in California will be entered in national competition.

More Security Measures At High Schools

Jefferson High School District trustees last week heard a report from Business Manager Fred Goodell concerning the improvement of police surveillance at the two Daly City high schools and approved measures to stop thefts.

The Westlake Patrol now has the authority to go into the buildings for spot checks, particularly at the Jefferson High gym where recent thefts have occurred.

The patrol will make the rounds at times when watchmen at the schools are on other areas of the campus. In addition, school guards now have to punch timeclocks inside the buildings.

Superintendent Ed Morgan also noted that repairs and alterations to all windows and points of entry have been made to deter burglars.

Harper Makes Corps Landing On Kodiak

Taking part in Exercise "Totem Pole," being conducted on Kodiak Island in Alaska is Marine Lance Corporal Larry J. Harper, son of Mr. and Mrs. G. R. Harper of 33 Forrest Grove drive, Westlake, of the First Marine Division from Camp Pendleton, California.

The division arrived at Kodiak, November 15 aboard Navy ships making the 3000 mile journey from California in 12 days.

Returning date for the Marines to Camp Pendleton is scheduled for December 10.

The Vikings, who came to North America before the time of Columbus, carried cattle with them to provide their meat and milk.

TRAFFIC SIGNALS will be erected soon at above Bismarck street Mission crossing in front of Jefferson High School. City and school officials after many attempts have finally convinced the state that the signals are vital. Students crossing Mission to and from school no longer will have to use the dangerous crosswalk once the signals are in operation.

THE RECORD photo

Eighth Grade Pupils Writing Local History

The eighth grade classes of Douglas B. Paulsen at Benjamin Franklin School are busily gathering information and pictures for their book, "A Written and Pictorial History of Daly City and Colma."

This project combines the study of Language Arts and Social Studies as the students have to interview people, make notes and outlines, write their reports, work in groups, learn community interests and economy as well as city government. By doing this project they can learn what it means to be an American and what it takes to become a good and conscientious citizen. The book should be ready for publication around the end of February, and Paulsen is asking that the community help in this project when the students come calling for information and pictures.

If anyone should have any information that they feel might benefit such a project, they are urged to contact Paulsen at Benjamin Franklin Elementary School, 700 Stewart avenue, Daly City, so that an interview might be arranged.

DC Minister's Son Marries In Burbank

Donald B. Fanthorpe, the son of Pastor and Mrs. Fred L. Fanthorpe of Daly City's Seaciff Community Church, was married to Miss Mary Bolin of Burbank, California, Wednesday last week in the Southern California community's Presbyterian Church.

Reverend Fanthorpe and the Rev. Ernest Greenlund officiated. A reception followed in the church parlors.

An afternoon reception for the honeymooners was held at Seaciff Community Church on Sunday. The newlyweds will make their home in Burbank.

There are 28,357 street lighting units in San Francisco.

CONTROLLER REPORTS State's Net Assessed Valuation \$27 Billion; Heavy In LA Area

California's total net assessed valuation is \$27,440,095,981, State Controller Alan Cranston reported today.

That figure—disclosed in the Controller's annual report on the counties' assessed valuation, tax rates, and bonded indebtedness for 1959-60—is 5.67 per cent higher than a year ago.

It is made up of these components: Land—\$8,147,551,279. Improvements on land—\$15,048,184,986. Personal property—\$5,721,711,130. Exemptions—\$1,477,351,414.

The total gross valuation is \$28,914,447,395. The exemptions of \$1,477,351,414 constitute a shade more than 5 per cent of the gross. Exemptions are granted for veterans, churches, colleges, and welfare purposes. The report shows that the counties' total bonded indebtedness is \$78,146,500 and that county tax rates range from a high of \$3.60 per \$100 assessed valuation in Trinity County to a low of \$1 in Mono County. Santa Clara County, Cranston noted, became the sixth California county with an assessed valuation of a billion dollars or more.

An increase of 12.88 per cent over the 1958-59 assessed valuation—highest percentage increase of any county in the State—boosted the Santa Clara valuation to \$1,084,884,970.

Other counties in the billion-dollar class include: Los Angeles, \$10,899,881,050. San Francisco, \$1,391,454,204. Alameda, \$1,364,254,024. San Diego, \$1,356,820,650. Orange, \$1,142,227,360.

Three counties recorded a decrease in assessed valuation: Inyo, down \$959,920 to a total of \$53,841,810. Kings, down \$607,325 to a total of \$127,095,460. Kern, down \$571,760 to a total of \$718,045,940.

Girl Scouts Gift Old Folks

The Girl Scouts of the South San Francisco district will hold their annual Festival of Gifts on Sunday, December 6, at 1:30 p.m. in the auditorium of South San Francisco High School.

The Festival of Gifts is the Girl Scouts' annual Christmas charity project. This year the aged in old folks' homes in San Mateo County will be the recipients of the Scouts' gifts. Seven neighborhoods will be represented this year—Brentwood, Brisbane, Buri-Buri, Mayfair Village, South San Francisco, Paradise Valley and Winston Manor. Before the gift presentation the girls from these neighborhoods will present a program of songs and skits.

In charge of planning the Festival of Gifts this year is Mrs. Mildred Kessler of Mayfair Village. Others on her committee are: Mrs. Maureen Dan, Buri-Buri; Mrs. Ann Palacios, Winston Manor; Mrs. Aleta Tanner, Brentwood; Mrs. Vera Looker, Brisbane; Mrs. Bonnie Robinson, Paradise Valley; and Mrs. Norma Mitchell, South San Francisco.

Jeff, Westmoor Social Studies

A report on Jefferson High School District's Social Studies curriculum will be made to the school board by Jefferson and Westmoor teachers next Monday night in a public-welcome special meeting at the Jefferson High Little Theater. Starting time is 7:30.

Social Studies courses will be reviewed and explained by department heads Hildegarde Seidel and Frank Kane, and instructors Al Runnells, Dick Coltrell, Ruth McWhinny, Marge Erickson and Julie Jansen.

The session is another in the series of curriculum reports on the district's offerings, instituted by John J. Ivan, director of instruction for the high school district, and Superintendent Ed Morgan.

WSIA Election Monday Night; 13 Candidates

All seven incumbents and at least six new candidates will seek office next Monday night when Westlake Subdivisions Improvement Association holds its annual election of directors.

The meeting starts at 8 p.m. and nominations are acceptable from the floor. All paid-up members of the association are urged to attend. The seven, non-paying director jobs run for one year.

The present board consists of chairman Emory Schoolcraft, McRobert Stewart, Virgil Anderson, Ed Borbeck, Andrew Baffico, Bob Brachman and William Morrisette.

Nominated by the WSIA nominating committee as candidates are Paul Green, Robert Gunthorp, Martin Owens, K. C. Martin, Daryl Ober and Donald Lueder.

'Couples Only' Dance Planned By Hi-Fi Club

The Hi-Fi Teen Club sponsored by Daly City's Department of Parks and Recreation will hold a semi-formal Christmas Dance on Saturday, December 19.

This will be the first "couples only" dance given by the club. The music will be provided by Buddy Capps and his orchestra. Refreshments consisting of sandwiches and soft drinks will be provided for everyone in attendance. Admission price will be \$2 per couple and a limit of 200 tickets will be sold. Tickets will be sold to members only and must be purchased prior to the dance.

Tickets may be purchased at the Parks and Recreation office, 144 Hillside boulevard, from 8:30 a.m.-5 p.m. Tickets will also be sold at Teen Club activities on Wednesday nights at War Memorial Community Center.

Rugby League Proposed At Westlake Park

The Olympic Club has asked Daly City's park and recreation commission for permission to use Westlake park for rugby league play with teams from University of California, Stanford and USC.

John Roundtree, rugby committee chairman, says the league would start next month and run through April next year. Practice games also would be scheduled on weekdays.

Parks - Recreation Director Dee Van Nest and commissioners tentatively approved the request on condition the Olympic Club secure insurance to protect all players and also the city should injuries occur.

Van Nest noted that Westlake park at its longest measurement falls 30 yards short of rugby field specifications, but league play nevertheless can be accomplished.

In other business, the commission approved Van Nest's final plans for the first increment development of Westmoor park south of the high school. These plans already have been approved by Jefferson High School District which is sharing the costs of the park development with the city. The city and school district contribute funds each year for this project. The council has yet to grant its annual share, waiting ratification of the city's capital outlay budget.

Van Nest's plan for Westmoor Park has been amended to reduce the number of proposed handball courts from 7 to 3, cutting the initial development total cost from \$111,000 to \$90,000.

The commission also approved a request from Father Long of Holy Angels Church to hold a dance in Room A of War Memorial Community Center on December 11 for the church's teen club.

Eagles Honor Mayor Dennis

Daly City's Colma - Vista Grande Eagles, Unit No. 1848, paid tribute to Mayor Edward J. Dennis last night, conducting a ceremony in his honor.

Councilmen Francis Pacelli and Bob St. Clair were initiated into the organization during the program, according to President Herm Kalinin.

Randolph Donates Blood Tenth Time

Latest Daly City-Colma contributors to Peninsula Memorial Blood Bank included Walter M. Randolph who donated blood for the tenth time.

Other local donors were Norbert F. Organiscuk, Mrs.

By ROY HURLBERT

More than a few members of the Chamber of Commerce are unhappy with the bigger local homebuilders who fall to name Daly City in their advertisements that appear in many Northern California newspapers.

Perhaps these builders think Daly City's reputation—or lack of it—isn't conducive to attracting buyers for their new homes.

Westlake is a fine name but it's still just a part of Daly City the municipality. Same goes for St. Francis Heights and the other main developments.

Why anyone is ashamed of Daly City with its near-40,000 residents is beyond us. This isn't a hillbilly town.

Laugh of the year goes to Don Davison, sportscar driving Daly City ad salesman who's an expert on the psychology of "Duke," his purebred Chesapeake Retriever.

The big hound is so gun shy that Davison tells everyone he has changed Duke's papers to read: Chesapeake Retreater. The last bark is on whom?

Folks in Westlake and the Chamber of Commerce will tell you that the reason they formed committees to get state funds for Thornton Beach is because the city council has been lukewarm about the matter.

Normally, any community-wide project is fronted by the council. On Thornton Beach, the Chamber and Westlake Association claim the council dropped the ball.

An announcement is expected any day now whether St. Ignatius High School officials in San Francisco will purchase the land north of Westlake Park for a brand new St. Ignatius high school plant.

The decision on the price of the purchase from builder Henry Doelger has to be authorized all the way from Rome—The Vatican.

Daly City's two high school football coaches can take solace with the old poem—"We Can't All Play A Winning Game." Jefferson won one game out of nine and Westmoor had the same record.

Eddie Cereghino, the former \$75,000 bonus pick of the New York Yankees, is at SF State College and will graduate into the coaching ranks.

A scholar, no less, the former fastballer who quit baseball after several years in the minors, one day may be coaching Jeff High's baseballers.

Eddie knows baseball backwards. The St. Francis Heights resident is anxious to teach the sport at his alma mater.

Members of Daly City and South San Francisco Lions' clubs should be complimented for their sponsorship of the Sportsmanship Award Trophy, annual competition between the two cities' high schools.

Jeff beat South City in football's local big game last week, 6-0, but South City won the judges' nod to keep the Sportsmanship trophy for another year.

Odd thing about Jeff's failure to get the trophy was the fact that Rich Zinn, South SF student body president who accepted the award from the Lions, was ejected from last week's game for kicking a Jeff player in the head.

Players sometimes lose their tempers, and Zinn is no exception. Off the field, he's an even tempered youngster.

Planning commissioners Dick Dwyer, Tony Masini and Roy Foster have told the DC council that the Hahn, Wise and Barber master zoning plan is so faulty that it should be junked and the survey be started anew.

This rejection of the paid endeavor echoes the sentiments of many propertyowners who want a more practical survey by people who are familiar with Daly City.

Anyone will make a survey for you for a price. Quantity is one thing. Quality another.

The 93 California public school teachers who were called in by the House Un-American Activities Committee for questioning won't be dismissed from their classrooms until there is evidence to indicate that they may have been or are "subversives."

So announced the State Department of Education in Sacramento this week. The professionals in education in so many words feel the political-inspired hearings on suspected subversives lack merit and bear shades of McCarthyism.

Are Pacifica and South City going to get the jump on Daly City as far as landing a hospital and all its blessings?

A caller-in wondered why the Daly City Council didn't have a representative at last week's Mayors' Committee meeting here on the hospital drive. Present were the Physicians Committee, Pacifica Mayor Jean Fassler and South City Mayor Andy Rocca.

Arthur J. Hulse, Mrs. Lloyd Eagleton, Paul Witasek, Mrs. Francis S. Fazendin and Robert M. Turner.

1038 Attending Adult Classes

Jefferson High School District trustees learned last week that not only is education on the upswing for youngsters in the district but 130 more adults are taking classes this year in night school.

Enrollment figures as of October 31 this year show 3071 students, and 1038 adults for a total district enrollment of 4109. Corresponding figures for last year were 2608 students and 903 adults for a total of 3511.

The board hired and fired a gardener last week when Felix A. Cruz was approved as a replacement for Ben Trotter Jr., a gardener at Westmoor High, who was dismissed for "his inaptitude for the work."

Evalina Montalbon was hired to teach a class in beginning and intermediate Italian in the Adult Education evening school program. Of 30 enrolled in the class, 29 of the adults are from the east side of Junipero Serra boulevard.

WESTMOOR GRAD JOINS THE ARMY

Ronald R. Hasinski, 1216 Seville drive, Pacifica, has enlisted in the Army and left last Friday for basic training. A graduate of Westmoor High, he will spend eight weeks at Ft. Ord.

DRY-RUN practice for next year's double sessions at Daly City's Westmoor High School is shared by Jeff Trager, a junior, of 27 Cliffside drive, Westlake, and Patty Dutton, another junior, of 1315 Hermosa avenue, Pacifica. Daly

City students will attend Westmoor in the morning while Pacifica high schoolers will take afternoon classes at Westmoor. The double sessions should end with the completion of Pacifica's Oceana and Terra Nova high schools in

September of 1961. Westmoor students attended double sessions with Jeff High pupils at Jeff in 1956 prior to the opening of the Westmoor plant.

THE RECORD photo

FUN GALORE AT THESE TOP SPOTS

Eagles Plan Xmas Party For Kiddies

Daly City's Eagles are planning their "biggest ever" holiday program, Colma-Vista Grande Aerie 1848 President Herrn Kalinin announced today.

On Sunday, December 20, the Eagles will stage their annual Kiddies Christmas Party, with Santa Claus himself on hand at Eagles Hall, 3344 San Jose ave-

nue, from 1 to 5 p.m., with loads of gifts, ice cream, candy and assorted motion pictures.

The hall also will house the unit's annual New Year's Eve party, December 31. The affair will feature dancing to the music of Ed Terducci's trio. Chairman is Stan Nygowski and tickets are available at local stores or by calling PL 5-0504, PL 5-4285 or JU 6-3604.

San Francisco paid \$41 million in 1930 to the Spring Valley Water company for its network of reservoirs, pipelines and other facilities.

Food & Fun

On The Peninsula And San Francisco

Daly City theater goers will be happy to learn that their own "back-yard" will be the setting for a production of Christopher Fry's delightful comedy, "A Phoenix Too Frequent." Improviso, a touring theater company, will offer one performance only, on Saturday, Dec. 12, 8:30 p.m., at the Daly City War Memorial Community Center. If the house count is good, Daly City might be in for some more theater in the future.

Fans of Gus Sebastiani's San Pedro Lunch are happy to see Gus back at work, after several months of convalescence following a heart attack. San Pedro offers excellent family style dinners six days a week (closed Tuesdays).

It's bigger, it's better and in every way, an added feather for Mama Rosa in her new location. We're referring of course to ROSINO'S RESTAURANT, formerly the New Colma Cafe. Mama Rosa would like to see all her old friends at the new location, 5999 Mission St. in Daly City. They feature a friendly bar, delicious lunches and dinners and newly decorated interior. After 16 years at the old stand the family is happy after making the big change.

It's time to look forward to New Year's and plans are in the works for a gala time at Copperwood Lodge where the Sharp Bros. will attend and play the piano, sing and might even put on an act. Host "Ep" advises that there will be party treats to help bring in the New Year.

For the first time in many a moon, there will be DANCING at the Steak Pit Restaurant in Colma starting this Friday night in the Celebrity Room . . . and we mean Top Bananas in the entertainment world. Frank Martinelli, owner of the Steak Pit, has worked with all of them. You'll have to see this gallery to appreciate what we mean. Stop in this Friday or Saturday and have a ball.

SHOW AT FAIRMONT

'Swing Into Spring' Next Fashion Theme For W'lake Catholic Women

"Swing Into Spring," the theme of the sixth annual fashion show and luncheon presented by the Westlake Catholic Women, will be held on January 30 at the Fairmont Hotel.

Mrs. William Creagan will be the chairman for the affair, assisted by Mrs. Robert Wagner. Other committee chairmen for this social event include Mrs. John Loof, secretary; Mrs. John Greulich and Mrs. John Bennett, reservations; Mrs. Martin Ruane and Mrs. Lawrence McCaffrey, decorations; Mrs. Lloyd Madigan and Mrs. Charles Seelig, door prizes; Mrs. Jack Irvine and Mrs. Frank J. Burns, investment; Mrs. Joseph Toboni and Mrs. Frank Ghiselli Jr., models; Mrs. Charles Blagdon and Mrs. A. Matthew Ragio, programs; Mrs. Rodney Page and Mrs. Francis J. Mee, hostesses and favors; Mrs. Stanley Fenton and Mrs. George Hemmerle, publicity.

Spring fashions will be worn by models and again this year will be presented by H. Liebes. Investment chairmen, Mrs. Irvine and Mrs. Burns, have announced that a \$250 merchandise order to Liebes will be awarded on the day of the show, as well as a sterling silver candelabra, and a custom-made Snyder-Knit dress.

All proceeds from the luncheon and fashion show will benefit Our Lady of Mercy's school building fund.

New Westlake Brownie Troop

Investiture of the new Westlake Brownie Troop No. 76 recently took place at the home of leader Mrs. Moses Grossman. Mrs. Stanley Feldman, assistant troop leader, helped with the "Mirror Ceremony."

Each new Brownie was presented with the Brownie pin to be worn on her new uniform. The Brownies who attended with their respective mothers were: Caroline Bousian, Nancy Feldman, Paula Funai, Debbie Grossman, Judy Klotz, Marjorie Markovich, Elizabeth Panages, Paula Pope, Janet Solomon, Stephanie Schneider, Carol Stein, Marilyn Taylor, Debby Wiener, and Kathrine Zelinsky.

FASHIONS IN WESTLAKE

KPIX's Versatile Wanda Ramey, Cameras Cover YWCA Show Here

By MONA BAKER Staff Writer

"This is your woman on the beat, Wanda Ramey, saying goodbye" — so KPIX's popular woman reporter signs off another weekday telecast on "The Noon News."

This week her beat is literally from Paris to Westlake because she has just returned from abroad where she was sent as a special Westinghouse correspondent and tomorrow she will cover the YWCA Fashion Show from Westlake Bowl. Films of the Westlake show with commentary by Miss Ramey will be shown on Friday's "Noon News" over Channel 5.

It's all in a day's work for the lovely reporter who with co-star John Weston have been bringing news to viewers for the past year over KPIX—in fact, February 16 marks their first anniversary. Assembled like a daily television newspaper, the show covers a wide range of news items, all the way from interviews with famous personalities, to fashion notes and hu-

man interest stories, from world-wide happenings to Bay Area features.

The list of illustrious persons interviewed by Miss Ramey reads like "Who's Who" and includes such world famous personalities as Eleanor Roosevelt and world leaders, such as General Charles de Gaulle, president of France. When she was in Paris, Miss Ramey told us, she accompanied the French leader on Veterans Day when he laid a wreath on the tomb of the Unknown Soldier.

One of the outstanding programs on the local television scene, the show has been steadily building audiences since its inception. Covering a wide area of 32 counties, "The Noon News" now has the largest viewing audience of any program in the Bay Area scheduled at that time. Certainly a tribute to a well-produced program and the two stars whose skillful reporting brings a most entertaining and informative show to local viewers.

to determine the effectiveness of tank crews in various tactical situations under simulated combat conditions.

The 19-year-old soldier, a tank crewman in the company in Furth, entered the Army in December 1958, completed basic training at Fort Ord, Calif., and arrived overseas last June. He attended Jefferson High School in Daly City.

California had 654 acres planted to persimmons in 1958.

NEWS

WANDA RAMEY (left), KPIX's "Woman on the Beat" for "The Noon News" over Channel 5 on weekdays, discusses plans by her station to cover this Thursday's YWCA Fashion Show at Westlake Bowl with Elaine Wolfe (center), YWCA North San Mateo County director, and columnist commentator Mona Baker of Daly City's Marchbanks news papers.

St. Mary Sets Pre-Lenten Project; Explains Blood Reserve

Mrs. Dewitt Brunson, Grand Regent of Court St. Mary No. 1153, Catholic Daughters of America, announced at the last meeting the appointment of Mrs. Carl Rolland as general chairman of the annual Pre-Lenten Charity Fund project the Court sponsors to further their charitable works and to supplement the treasury.

Mrs. Rolland held a meeting at her home with some of the Court's key workers on Tuesday evening, November 24. With 12 ladies present a general discussion of suggested ideas and projects was held and plans sketched. A tentative date was set for the latter part of January.

Another comprehensive meeting is scheduled for the second week of December for reports on progress with additional plans to be arranged.

Mrs. Charles Wettstien and Mrs. Fred Wettstien Jr. are co-chairmen of the annual Christmas party to be held following the meeting on December 17. Entertainment is being planned and a gift exchange among the members will culminate the evening.

Under the direction of Mrs. Antonette Mangini, state chairman of Social Welfare, from Burbank, a new statewide phase in the Catholic Daughter Program is the establishment of a Blood Reserve Bank in every diocese in the state, with all Courts to participate in depositing their donations of blood in the Central Blood Bank in their area.

In the San Francisco Archdiocese, in October, Mrs. John

O'Sullivan, Archdiocesan chairman of Social Welfare, of San Bruno, and a member of Court St. Mary, established the Catholic Daughters of America Blood Reserve Bank with the Peninsula Memorial Blood Bank, 1791 El Camino Real, Burlingame, for the southern section of the Archdiocese. She also serves as the general chairman of the C.D.A. Peninsula Blood Bank in the southern area.

Mrs. Elio Ciardella of Daly City, a member of Court St. Mary, was appointed general San Francisco area chairman and she established the Catholic Daughters of America Reserve Fund at the Irwin Memorial Blood Bank, 270 Masonic avenue, San Francisco, for the northern section of this Archdiocese. She also serves as Court St. Mary's Blood Bank Chairman.

The first pint of blood donated to this Catholic Daughters Blood Reserve was by Miss Eloise Saurer of Court St. Mary.

This blood has already been used by a member of the Court, which proves the need of such a project as no one knows when such an emergency may arise or the amount of blood that may be needed to save a life.

Anyone wishing to donate blood to this Catholic Daughters Reserve Fund may do so by specifying that the donation be credited to the Catholic Daughters of America Account.

More pertinent information may be gained by contacting either Mrs. Ciardella at JU 7-7912 or Mrs. O'Sullivan, JU 8-0316.

NEW SEMESTER

South San Francisco Night School Offers Fifty-Four Adult Classes

The South San Francisco division of Adult Education will begin its winter semester December 7. Fifty-four classes will be offered Monday through Thursday evenings.

With another record enrollment expected, many new courses in business education, parent education, industrial arts, and arts and crafts, science and mathematics and music have been added.

In addition, many classes of special interest will be offered. A course, Science in Action, to the award-winning film on television will be on Monday evening 9. A course in Continental Russian will be on Wednesday evening 7 to 9. A class in personal counseling will be on Tuesday evenings from 7 to 10 to help adults plan their future vocations.

In parent education, home management and budgeting will be offered on Tuesday evenings from 7 to 9 to help parents manage and make the dollar go a little farther.

Education for childbirth will be held on Wednesday evenings from 7:30 to 9:30 for all future mothers and fathers. In art, life drawings and paintings will be held on Monday and Wednesday evenings and a special course in Japanese brush painting will be held on Thursday evenings and will be sponsored by the famed Mr. Mikami, who has been conducting a similar course on television for the last two years.

Still another highlight of the 54 classes being offered is a class in Continental Cooking being conducted by Samuel Johns, a chef nationally famous who has personally cooked for President Eisenhower. He will demonstrate how to cook famous dishes and then all the students in the class will join him for dinner at each class meeting.

A complete schedule of all 54 classes, too numerous to mention here, is available at

public libraries or the South San Francisco High School office. Additional information may be obtained by phoning South San Francisco High School after 7 p.m. Monday through Thursday evenings.

Classes will not be in session between December 18 and January 4 not to conflict with the Christmas and New Year holidays.

With the exception of Continental Cooking and Japanese Brush Painting no advance registration is necessary. Registration may be made with the instructor on the night of the class meeting.

Additional classes will be added by request if a minimum of 15 people will make applications for the same course, according to Robert C. Keropian, director of adult education.

PT&T Man To Address DC Rotary Club

"Communications Skyways" will be the topic of Tom Barnes of the Pacific Telephone and Telegraph Company when he addresses the Daly City Rotary club at their Wednesday, December 9, luncheon meeting.

Barnes talk will deal with innovations in use of micro-waves in the transmitting of television programs.

Howard Stites, program chairman, will introduce Barnes.

Hoek Garrison is finemaster for the day, while Jack Kendree will deliver a life sketch.

The annual Christmas Party will take the place of a regular program at the December 16 meeting.

The American Dairy Association, an organization of dairy farmers, conducts scientific research to determine why people should eat more dairy foods.

MANAGER of the new Drug King-Rexall Self Serv store in Buri Buri, South San Francisco, is Brad Anderson (right), discussing this Thursday's grand opening with Fred Wright, assistant manager. Big bargains await shoppers at the new Peninsula facility. THE RECORD photo

Charter Ceremonies This Sunday For New Methodist Church Here

This Sunday, December 6, is the date set for the official organization and chartering of the new Methodist Church being organized in the Westlake section of Daly City.

The Reverend Miss Dorothy C. Gleason, who was appointed to begin the work of organization by the California-Nevada Annual Conference of The Methodist Church at its June meeting on Stockton, has been visiting and contacting persons for the beginning of the new church.

She began holding public meetings on October 18 at the Westlake Auditorium and have been looking forward to this date. Church School was started Sunday, November 29, with 35 in attendance.

Those concerned with the organization, planning and membership have selected a name which will be presented to the district superintendent to become the official name of the church.

There will be a baptismal service for those wishing to initiate their children. Rhoden Wilkinson will sing "My Task" by Ashford to highlight the charter ceremony.

Dr. Fisher will receive those interested as charter members of the church and will give the message of challenge to the congregation in the worship service. Immediately at the close of the service the church will be organized and the officers to carry on the work of the church will be elected.

Persons interested in becoming a part of the church may contact the pastor by calling

CHAIRMAN of Westlake Catholic Women's forthcoming "Swing Into Spring" fashion show is Mrs. William Creagan. The sixth annual luncheon affair is scheduled for the Fairmont Hotel on January 30. Proceeds go to Our Lady of Mercy parish for its school building fund. Bladgon photo

PRESIDIO DAR CHAPTER SETS XMAS MEETING

Mr. and Mrs. Charles D. Douglass and Dr. Parry L. Douglass will again open their home at 718 Church street on December 12 to members of Presidio Chapter Daughters of the American Revolution, for their annual Christmas luncheon. The executive board of the chapter will be co-hostesses.

The program will open with the national anthem, followed with a Christmas prayer by the chaplain, Mrs. Harry C. Crotty. Welcome and greetings will be extended by Mrs. Herbert W. Hopkins, regent.

As customary with the chapter, a program of traditional American Christmas carols will be sung, led by Miss Nancy Slayton, with Mrs. Freeman L. Young at the piano.

A short talk on carols and their origin will be given by the chapter's chairman of American music, Mrs. Freeman L. Young. A poem titled "As Christmas Passes" will be read by the regent. The meeting will end with the singing of "Silent Night."

County Has 88% Toward Crusade Goal

Contributions to the San Mateo County's United Bay Area Crusade have inched their way up to 88.3 percent, as of the November 20 report luncheon at the Elks Club in San Mateo.

The goal set for San Mateo County is \$608,811 and donations to date total \$537,453.

Franklyn Downton, campaign chairman, is optimistic that the goal will be reached.

Mrs. Charles Ecker, Daly City-Colma residential chairman, reports that Daly City has 97.7% of its goal. People are still mailing in "Dear Friend" envelopes with their belated contributions.

Michael De Bernardi, chairman for the business division, reported, "slowly but surely they're getting there." On November 20, the business division of the Daly City-Colma area had reached 36.8% of its goal. Many business men are sending in their contributions to the Crusade office in San Mateo.

Mrs. Martin Orloff, county chairman for the residential division, reports that 98.4% of the county wide total has been reached.

Of the five counties in the United Drive, Marin was the first to reach beyond its 100% goal. Alameda was second with 90.9%, and San Mateo third, with its 88.3%.

For Bay Area totals, 85.7% of the \$11,000,000 has been reached. Collections total \$9,426,874.

Mrs. Ecker is very happy over the success of the near-100% goal for Daly City-Colma and wishes to sincerely thank each of the volunteers.

The manufacture of butter is still very important today. More milk equivalent goes into butter than into cheese, evaporated milk and ice cream combined.

Tape Okayed On Wide Cars To Aid Safety

A national wire service story has reported that certain types of 1960 model passenger cars, which exceed 80 inches in width, must be equipped with clearance lamps when traveling in Tennessee.

Recognizing that installation of clearance lights on passenger cars is not only impractical but also unintended by the legislature, Tennessee has announced that (1) the use of reflectorized tape stuck on each end of the front and rear bumpers will comply with the requirements of the law, and (2) the law will not be enforced until January 17, 1960.

The California State Automobile Association lists the following late-model passenger cars which exceed 80 inches in width and which would be in violation of the Tennessee law. 1960 models — Chevrolet, Continental Edsel, Ford, Imperial, Lincoln, Mercury, Oldsmobile and Pontiac.

1959 models — Buick, Cadillac, Continental, Imperial, Lincoln, Mercury, Oldsmobile and Pontiac.

1958 models — Imperial, Lincoln and Mercury.

1957 models — Imperial and Lincoln.

In order to comply with the Tennessee law and its interpretation by the state's attorney general, the CSAA recommends the following specifications for placing reflectorized tape on bumpers. Front—two strips of amber-colored reflectorized tape, one inch wide by six inches long, placed at the outside left and right end of the front bumper, visible from the front. Rear—two strips of red-colored reflectorized tape, one inch wide by six inches long, placed at the outside left and right end of the rear bumper, visible from the rear.

Brad Anderson Manager of New Drug Store

Brad Anderson has been appointed manager of the new Drug King-Rexall Self Serv Drug Store at the Buri Buri Shopping Center in South San Francisco, announces Alex Kapter, district manager of this statewide chain.

Anderson, a former Owl-Rexall manager, joined the company three years ago and has managed two other stores before accepting this post at Buri Buri. In all, he has spent eight years in the drug field.

The new manager, married and the father of three children, plans to make his home in the Buri Buri area.

In extending a cordial invitation to all of the Buri Buri area families, to the gala 4-day Open House event that begins on Thursday, December 3, at 9 a.m., Anderson promises four fun-packed days of gifts, prizes and super values in every department of the new Drug King-Rexall Self Serv Drug Store.

DC Girl Scout Festival Aids Needy In Japan

Because Girl Scouts want to help others at all times, they will hold a gift-giving "Festival" to collect socks and mittens to be sent to Japan.

Daly City-Colma Girl Scouts' annual Festival of Gifts will be held this Sunday, at 2 p.m. in the War Memorial Building, Daly City.

Uniformed Girl Scouts at all levels will participate in the event.

Gifts of mittens or socks, wrapped and labeled, will be placed in boxes to be sent to the typhoon-hit area of Japan for needy victims.

The program will consist of the flag ceremony by an eighth grade troop, singing, folk dancing, a Christmas skit, and Christmas in other lands.

Senior Girl Scouts will lead the singing.

Mrs. Verona Williams, district chairman, is in charge of the program. She is assisted by a committee.

Mrs. Williams also wishes to thank Mrs. George Ellis and Mrs. William Proctor, chairmen for the Girl Scouts' calendar sales, and all those who helped make the sales campaign a success.

Robert J. Gill Ready To Finish Navy Boot Camp

Robert J. Gill, son of Mr. and Mrs. Franklan C. Gill of 444 St. Francis boulevard, Daly City, is scheduled to graduate from recruit training December 11 at the Naval Training Center in San Diego.

The graduation exercises, marking the end of 11-weeks of "boot camp," will include a full dress parade and review before military officials and civilian dignitaries.

In 11-weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

NEXT WEEK

Jeff High PTA's Xmas Program To Feature 35-Member Chorus

Christmas is one of the happiest and pleasantest times of the year and what better way is there to give expression to this spirit than by the music of youth?

Jefferson High School PTA's regular meeting on Thursday, December 10, will be devoted chiefly to Christmas music. The program starts at 8 p.m. in the school cafeteria.

The 35-member chorus, under the guidance of David Manning, drama and music instructor, will render three traditional yuletide songs — White Christmas, Christmas Bells, and Oh, Holy Night.

This will be followed by community singing from the audience.

Richard Larsen, band and music instructor, has planned a very special surprise musical and would not divulge "the secret."

Another highlight of the evening will be a summary of the experiences of Nancy Reginelli and Richard Lair, of their two-week sojourn to Boys' State and Girls' State at Sacramento last June.

Richard was recently chosen to represent the county at the White House Conference on Children and Youth, March 27-April 2, in Washington D.C. There will be 23 California youths at the conference.

All PTA members and friends are invited to attend this highly entertaining program. Refreshments will be served.

GAS STATION HELPS South San Francisco Police Set Fund-Raiser To Aid Youngsters

South San Francisco Police Athletic League will benefit from receipts taken by the Olympian Oil Company, 35 South Linden avenue, SSF, this Sunday, December 6, and on December 13 and 20, according to SSF Pal President Gus Nicolopoulos.

Persons buying the \$3 tickets will receive \$3 worth of gas at the station and owner Fred Bergetta has promised all receipts would go toward the police-sponsored club for young boys.

There is no gamble, nor a ticket sale on mere chance. A customer will get dollar for dollar value with these redeemable coupons, Nicolopoulos noted. At the same time, the purchaser will be helping the PAL, he added.

'The Drunkard' To Be Staged In Pacifica

The Pacifica Players, in conjunction with the Linda Mar Homeowners' Association, will revive "The Drunkard" on December 11 and 12.

This highly successful American melodrama, which had a longer run in both San Francisco and Los Angeles than any other play in the history of theatre, will be presented at the Pedro Point Firehouse, opposite the Linda Mar Shopping Center in Pacifica. Doors will open at 8 p.m. and the performance will begin at 8:30 p.m. The melodrama is being directed by George Gill.

The audience will be seated at tables and served refreshments, in accordance with tradition, and is encouraged to cheer the hero and "hiss" the villain. During the intermission short vaudeville acts will be performed and community singing will be held.

Carrying the leads will be Ed Ulrich as the Villain; Gene Merwin as the Drunkard; and Maxine Salmon as the heroine. Mike Calvello plays the Drunkard's younger brother and Jackie Schneider is the Soquette. Others in the cast include Jeanne Kay, Carolyn Casperson, Sandra Karm, and George Mason.

Reservation for tickets for "The Drunkard" may be made by calling Pat Miller, EL 9-0802.

RESOLUTION NO. 2731

A RESOLUTION DECLARING THE INTENTION OF THE CITY OF DALY CITY TO VACATE A CERTAIN PORTION OF PUBLIC STREET AND FIXING THE TIME AND PLACE OF HEARING ALL PERSONS INTERESTED IN OR OBJECTING TO SUCH PROPOSED VACATION.

WHEREAS, the City Council of the City of Daly City is informed that a certain portion of Market Street hereinafter described is unnecessary for present or prospective public street purposes, and

WHEREAS, the City Council desires to take the necessary proceedings under the Street Vacation Act of 1941 vacating said portion of said street;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALY CITY AS FOLLOWS:

1. It is the intention of the City Council to vacate a certain portion of Market Street in the City of Daly City, County of San Mateo, State of California, and particularly described as follows:

BEGINNING on the Northwesterly line of Market Street distant thereon 217.08 feet Northwesterly from the intersection of the Northwesterly line of Market Street with the Easterly line of Atlanta Street; thence continuing Northwesterly along said line of Market Street a distance of 148.95 feet; thence deflecting 82 degrees 55 minutes and 10 seconds to the right and running Southeasterly 60.461 feet to the Southeasterly line of Market Street; thence Southwesterly along said line of Market Street 163.809 feet; thence Northwesterly 67.133 feet to the point of beginning.

2. Reference is hereby made to the map on file in the Office of the City Clerk of the City of Daly City for particulars as to the proposed vacation.

3. Monday, December 28, 1959, at 8 o'clock p.m. of said day in the Council Chambers in the City Hall of the City of Daly City, and the same is hereby fixed, as the time and place for hearing all persons interested in or objecting to said proposed vacation.

4. Notices of street vacation shall be posted conspicuously along the line of the portion of said street so proposed to be vacated. Such notices shall be posted not more than three hundred (300) feet apart but at least three (3) shall be posted, and such notices shall state the passage of this resolution of intention of the time and place of hearing thereon.

5. At the time and place aforesaid, said City Council will hear the evidence offered by any person interested, and if said City Council then finds from all the evidence submitted, that such portion of said street is unnecessary for present or prospective public street purposes, said City Council will make its order vacating the above described portion of said street.

6. This resolution shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

I hereby certify the foregoing to be a true copy of a Resolution adopted by the City Council of Daly City, California, at a regular meeting thereof held on the 23rd day of November, 1959, by the following vote of the members thereof:

AYES, and in favor thereof, Councilmen:

DeBernardi, Pacelli, Verdugo.

NOES, Councilmen: None.

Absent, Councilmen: St. Clair.

Ram Hoopsters May Be Varsity PL Contenders

Varsity basketball Coach Tony Giammona hopes to whip up a contender at Westmoor High with three veterans as a nucleus and two All-Peninsula League 130's of last year.

Giammona expects proficient scoring from guard Bill Dougherty, 5-11, center Clark Beerman, 6-3, and forward Dick Reese, 5-11. To help these standbys from last year are 130 stars Barry Krohn and Terry Christman, both 5-11. All are juniors excepting Dougherty, who the coach believes will be his highest point producer.

Two footballers who may see quite a bit of action are Andy Saranchock and Pete Daniels. Saranchock, 6-3, is a junior, while Daniels, 6-2, is a senior. Daniels, and his brother Mike, 6-1, both transferred from Pleasant Hill High this year. Mike is a sophomore.

There will be others who will try to boost last year's 4-10 mark but at this writing Giammona expects the most from the above mentioned athletes.

Byron Van Alstyne, 130's coach, will have to rebuild his club from the remnants of a 120 team last year that played 500 ball. Joe Burtorac, John Wilson, Ron Klingler and Scott Shackleford are four of last year's 20's who hope to make the grade.

Dan O'Connor, a starter at guard last year, will be back with the club. He was an All-League selectee when he pushed them through the hoop two years ago while playing for the 120's. Harry Brown, a transfer from Herbert Hoover in San Francisco, should see considerable floor-play.

Marc & Ryan First String At SJ State

Six-six Dennis Marc and playmaker Gary Ryan, Jefferson High varsity basketball standouts two years ago, have won starting assignments on San Jose State College's varsity cage team.

Marc, who broke just about every existing College of San Mateo cage record last season, is San Jose State's starting center. Ryan, outstanding last campaign for the SJS frosh squad, is a guard for the Spartans of Coach Walt McPherson.

Coach Mike Orlich of Jefferson says Marc and Ryan rate with the best players in the Daly City school's history.

Bowlin' Them Over In W'Lake

By Leon Cohn.

Clara Heron bowling for the New Alpine team in the Southgate Mixed 5's, provided herself and spectators with a thrill on Swanson's Westlake lanes. . . Clara scored a 120 average and when she left the big four (4-7-6-10) split and made it, congratulations were in order.

The single high team game went by the boards as the California No. 1 team in the B'nai B'rith league went on a rampage. . . The quintet posted a 989 scratch game. . . Jules Cohen led the onslaught with 237 as Herb Carr had 197, Joe Ziolensti 192, Fred Schneider 184 and Stan Levy 179.

In the "805" loop, George Homer went on a strike spree for a big 266 game. . . the high single game bowled in the league. . . Other goodies were Hal Cox's 242, Claude Attell 226, Norm Stenback 222, and John Castelli with 210.

Lou Garcia provided the fire-

works in the T.G.I.F. league when he rolled a 599 series. . . one pin short of the charmed circle, but very happy as this is his highest series for league play. . . In the same loop Paul Santos had 221, Alan Baldelli 212, Elmer Harper 206 and Dick Birkett 204.

Jerry Kennedy had the high series in the Knights of Columbus loop as Charles Ford posted the high game, 214. . . Roger Daubin and Chuck Caliva led the "825" with identical series of 557. . . but Chuck had the high game of 225. . . For the Country Club league Joe LaHonta had the high game of 257. . . Pete Patrakis was high in the 99's loop with 545. . . In the Golden Gate Handicap loop, Fred Van Husen was tops with 588 as Wayne Millien had 583. . . The Westlake Wedlocks' high man was Dick Zatoeff's 563 as Pauline Horvat led the fair sex with 470.

For the Country Club league Joe LaHonta had the high game of 257. . . Pete Patrakis was high in the 99's loop with 545. . . In the Golden Gate Handicap loop, Fred Van Husen was tops with 588 as Wayne Millien had 583. . . The Westlake Wedlocks' high man was Dick Zatoeff's 563 as Pauline Horvat led the fair sex with 470.

There are more than 1100 miles of water mains in San Francisco.

BYRON Van Alstyne (right) and Tony Giammona, 130 and varsity basketball coaches at Westmoor High School, are reading their shooters for Peninsula League play. Van Alstyne is depending on a number of former 120-pound first teamers to make his five click while Giammona has three varsity holdovers and two two All-League 130's contending for starting assignments.

THE RECORD photo

Westmoor, Jeff Lead Lightweight All-League Picks

Westmoor and Jefferson, both Daly City schools, dominated the All-Peninsula League 120-pound team by placing three of the five first teamers on the squad. In addition Westmoor had one basketballer on honorable mention.

Neither of the DC schools

SPORTS SPIN

By LOU LUCIA

WESTMOOR ATHLETICS CUT IN HALF: If double sessions are started next fall, and there is an excellent chance they will be the Westmoor athletic program which is beginning to stand on sturdy legs will receive a broken ankle. In effect, this year's sophomores, freshmen and next year's incoming freshmen from Pacifica will not be able to participate in Westmoor athletics, although they will have an intramural program. Almost half of the future athletes will be cut in this manner as 900 Pacificans will be unable to try out for varsity ball. The other 1200 students, attending morning classes, will be able to play sports. And you thought professional football coaches had problems?

GIRL WITH THE BEST STATISTICS: The girl with the best statistics attends Burlingame High. They aren't the usual set of three figures and would appear to be out of proportion if written down. Coach Rube Beltran of the Panthers basketball team says he has a girl keep the rebounds, shots taken, assists, etc., because the boys get interested in the game and lose track. A girl, he "figures," knows only the final score and who wins and makes a better statistician. It's a new innovation but very commendable, as she has better figures.

PAR FOR THE COURSE: Anibal Davila, Jeff High speedster, set a new cross country timing for the Indian course this year. Coach Bob Watt also expects Davila to be a threat to break the 4:33.8 mile run record on the Jeff course which was set in 1955 by Jim Rector. Watt expects Davila and Bob Alverio, another junior, to be his star performers along with Joe Vaez. Don Schneider set the fastest mile run record at 4:22.8 for Jeff, but being he finished fifth his mark is not recognized as the best. Maybe Schneider should have gone by jet?

ONLY DC FOOTBALLER HONORED

Bob Nielson Selected To PL Second Team

Bob Nielson, Jeff senior, was the only Daly City athlete honored on the All-Peninsula team, chosen last Friday. Nielson, a 175 pound guard, just missed being a unanimous choice as five of the six Peninsula Sportswriters cast their ballot his way for the second team.

Nielson, a 175-pound guard, played the line on defense and was pressed into fullback duty on offense due to an injury which sidelined John Margaroni.

This year's first team consisted of 12 players because of a tie in balloting for the fourth backfield spot. After two ballots, one secret, Johnny Browne of Capuchino and Tom Edwards of Mills were tied for the fourth position and it was decided to accept both outstanding performers.

Browne is an All-PL repeater along with "Player of the Year" Lynn Raymond, also of Cap, Ron Peters of Hillsdale and Mike Carboni of Burlingame. Edwards is the only junior selected to the first team.

Unanimous choice were Peters, Raymond and Lou Klemme, center for Mills.

Other Daly Cityites nominated for first and second team positions outside of Nielson were: Jefferson, Art Banos; Westmoor, Andy Saranchock, Larry Seigal, Chris Hanson, Walt Prouty and Ron Petrochchi.

Dave Field was named coach of the year for leading Capuchino to an undefeated season and Peninsula League Championship.

Members of the Peninsula Sportswriters Association who chose the team were: Lou Lucia, Daly City; John Kane, San Mateo; Bob Mattson, South San Francisco; Warren Wynkoop, San Bruno; Bill Warden, Burlingame; Gene Phillips, Millbrae.

The 1959 All-Peninsula League selections:

FIRST TEAM	SECOND TEAM	Cap
B—Lynn Raymond	Cap B—Rich Marchi	Cap
B—Ron Peters	Hills B—Bruce Jowcives	SSF
B—Larry Schibe	Burl B—Dean Akey	Burl

Player of Year: Lynn Raymond Coach of Year: Dave Field (Cap)
Special recognition: Bob Kane, quarterback; Clayton Stephens, back, both of Serra High School.

JEFF DISTRICT, SSF TO HAVE OWN ATHLETIC LEAGUE

In approximately six years, give or take two, the Jefferson District and South San Francisco District will have an athletic league of their own and will not be affiliated with any of the San Mateo schools.

Due to the enlargement of the districts, the league will no doubt consist of Westmoor, Jefferson, Terra Nova, Oceana, South San Francisco and the new SSF school that is being built.

By the time the new schools are opened, in September of 1961, the principals of the schools will no doubt meet and discuss the forming of the league. Jefferson High School District Superintendent Ed Morgan said.

It will take a transitional period while the young schools grow in size and have enough students to enter varsity play. The plan has been discussed for a considerable length of time and with the growth of the two districts it is safe to say, with a great deal of confidence, that the league will be inaugurated in these two districts, Morgan noted.

"San Mateo District has long wanted a league of their own but have been very good to us in allowing our two schools into their league. They could have left us in the cold but they have promised that we would be a part of their system until we could stand on our own feet," he added.

The framework for the working of the league will come from the Jefferson and SSF Districts but they will be governed by the California Interscholastic Federation.

Galileo Cagers Two-Time Rams

Westmoor's varsity and 130-pound cagers dropped their practice openers Tuesday, losing to Galileo of San Francisco by scores of 61-29 and 43-32.

Forward Barry Krohn had 11 points for the Ram varsity and Bill Dougherty was next with 8. Harry Brown's 8 points was high for the Westmoor lightweights.

Rich Cereghino of Galileo was varsity high pointer with 16.

South San Francisco Retains 'Big Game' Lions Club Trophy
South San Francisco High School will keep its "Sportsmanship Trophy" for another year, following the verdict of Lions Club judges at last week's Jefferson-South SF varsity football game.

The Daly City team won the traditional game, 6-0, but South SF students impressed the judges more with their conduct and game enthusiasm, thus the trophy was awarded SSF by the closest of decisions.

Jefferson High's varsity footballers wrote a successful climax to a sorry season last Wednesday night by squeezing past historic rival South San Francisco, 6-0, in the 35th annual battle between the Peninsula League neighbors.

The margin of victory came on a 20-yard pass from Roger Stahl and a great catch by Sal Blas late in the first quarter. After his tally, the two squads rose to the occasion and fought a defensive war.

The triumph gave Coach Joe McGrath's thin-ranked Indians a 1-8 season record and left them tied with South City and Westmoor in league standings with a 1-6 mark. South City's lone league victory was over Westmoor, while Westmoor finished on top only once with a 14-6 tally over Jeff. All in all, it was a pretty lean year for the three north county squads.

Jeff's win-starved regulars couldn't have dreamed up a better blessing than last week's victory over their old rival. The series between the two schools now stands 13 wins for Jeff, 18 for the Warriors and 4 tie games.

All of Jeff's players performed full-hilt to achieve the conquest. Al Cacicideo's booming 50-yard punt set the stage for the game-winning tally. A teammate downed the punt on the South City 2, and after a penalty the Warriors kicked out to their own 26, Blas making the catch.

The Indians then drove to the SSF 13, but were pushed back

to the 20, followed by Stahl's aerial to Blas who, made an unforgettable grab and steamed into the end zone.

Late in the game, the Warriors threatened to even the encounter, driving twice within range. But super-adrenaline defensive stops by Ed Crowley and Joe Bollentini, plugged the gaps and South City lost the ball on downs at the Jeff 20 with two minutes to go.

This South City march got as close as the Jeff 2, but a 15-yard unorthodox penalty against Rich Zinn (he kicked Crowley on the helmet) and behind-the-line tackles by Crowley and Blas caused the Warriors to backtrack.

Jeff played it cool and ran out the clock with time-consuming runs.

Jeff's second scoring chance, just before halftime, came after South City tried to run out the clock and ran from the Warriors' two yard line on fourth down. The Indians quickly called time out, then sent all-purpose Bob Nielson through the middle — two yards from the six-points. Nielson was deposited short of the goal line by three Warrior defenders as the gun sounded.

The 6-0 effort by Jeff repeated last year's score in this Big Game and Indian alumni, who make a habit of attending these tilts, left happy.

Both the Indians and Warriors didn't have much to boast about entering the game, but the squads came up for their traditional like world-beaters.

WESTMOOR PUTS TOGETHER BEST OFFENSE BUT LOSES TO MILLS

Westmoor's varsity gridders closed out the season in a three-way tie for sixth place in the Peninsula League with a 1-6 record, via their 41-30 loss to Mills High here last week.

The Rams put together their best offensive show of the year last Wednesday as quarterback Jim Heick outpassed talented Tom Edwards of the Vikings. Both completed 10 of 17 pitches but Heick's receivers gained 238 yards while Edwards' made 211.

Ron Petrochchi, the Daly City police chief's son, tallied twice for Westmoor. Both scores came in the first half when he rammed with 47 and 30-yard passes from Heick. The other end, Chris Hanson, was just as outstanding. Though he didn't score he also racked up 74 yards on pass catches.

The other two TD's for the Rams came on a 16-yard jaunt by Walt Prouty and a quarterback sneak for the 1 by Steve Funai.

Even lineman Andy Saranchock got into the scoring act by dropping Lou Klemme behind the goal line for a safety. Klemme, a center converted to fullback for this game, gained 140 yards on 16 carries to plague the Rams. One of his runs was 55 yards.

Edwards passed for three touchdowns and Rich Jefferies' 13-yard scamper and a 30-yard rush by Terry Megargee accounted for the other Mills scoring. Howard Sundberg, a huge end with gargantuan build, caught 5 passes for 123 yards and played havoc in the Ram backfield after catching Edwards' passes.

The game's over-all net yardage was tremendous, a total of 889. Mills, of course, had over half at 513. Westmoor had 376.

Westmoor was never ahead of Mills, being behind 21-14 at the half and 34-14 at the end of the third stanza.

Seniors playing or eligible to play their last Ram contest were Heick, Bernie McCabe,

... WALT PROUTY

Lem Jacobsen, Herb Lyons, Barry Langberg, Jack Arata, Daniels, Roger Johnson, Webb Parker, Jim Mannion, Victor Sterner and Bob Porras. It was also the last game for the injured Tom McHugh.
